<sup>1</sup> America West Airlines, Inc., and AirLA, Inc., filed answers to Great Lakes' application. Arizona Airways filed a reply to AirLA's answer. The Department is currently reviewing pleadings and options in this matter.

<sup>2</sup> Great Lakes has stated that these routes would be operated under a code-share arrangement with Arizona Airways, which already holds authority for the markets listed.

<sup>3</sup> United filed this application with a request to conform its answer period to that of the application filed by Transportes Aeromar (Aeromar) for corresponding code-share approval--8/11/95. We granted the request.

<sup>1</sup> Pursuant to Order 88-10-30, U.S. carriers certificated under the U.S.-Mexico Air Transport Agreement are required to notify the Department when discontinuing service on a U.S.-Mexico city pair for 90 days or longer. We have directed carriers to file such notices as soon as the decision not to inaugurate service or to discontinue service (other than seasonally) is made, but in no case later than the 91st day of dormancy.

<sup>2</sup> We have received documents from Arizona Airways and Great Lakes Aviation which indicate that, once Great Lakes Aviation receives its Mexican aviation authority, Arizona Airways will terminate services in the U.S.-Mexico markets listed, and Great Lakes will commence services in those markets.
